# **NATIONAL BOARD FOR TECHNICAL EDUCATION**

Plot B, Bida Road, P.M.B 2239, Kaduna

## **VISION**

To be a world class regulatory body for the promotion of Technical and Vocational Education and Training (TVET) in Nigeria

## **MISSION**

To promote the production of skilled technical & professional manpower for the development and sustenance of the national economy

## **MEMBERS OF THE DIRECTORY REVIEW COMMITTEE**

|                            |                   |
|----------------------------|-------------------|
| 1. Dr Fatima Kabir Umar    | -Chairman         |
| 2. Abdullahi Mohammed      | -Member/Secretary |
| 3. Lasisi Ibrahim S.       | -Member           |
| 4. Ibrahim Maiwada         | -Member           |
| 5. Muhammad Bilyaminu Musa | -Member           |
| 6. Hussaini Mohammad       | -Member           |
| 7. Muhammad Umar Auna      | -Member           |
| 8. Ismail Hussain          | -Member           |
| 9. Dominic Kudan           | -Member           |

## Table of Contents

|                                                                                                                                             |                                     |

## FOREWORD

This is the 25<sup>th</sup> Edition of the Directory of Accredited Programmes offered in all TVET institutions in Nigeria under the regulation of NBTE. It contains the list of Programmes that are granted full accreditation and approval accreditation. It is published in exercise of the powers conferred on the Board by the Education Act (National Minimum Standards and Establishment of Institutions) CAP E3 LFN 2004. Accreditation has been granted to the following categories of institutions:

- i. Polytechnics;
- ii. Colleges of Agriculture;
- iii. College of Nursing Sciences;
- iv. Colleges of Health Sciences;
- v. Specialized Institutions;
- vi. Innovation Enterprise Institutions;
- vii. Technical Colleges,
- viii. Vocational Enterprise Institutions and
- ix. NSQ Training Providers/Centers

Approved institutions offering the approved programmes can award the following certificates as the case may be and as appropriate to the graduates of the programmes:

- i. Post Higher National Diploma (Post-HND)
- ii. Higher National Diploma (HND)
- iii. National Diploma (ND)
- iv. National Innovation Diploma (NID)
- v. Advanced National Business Certificate (ANBC)
- vi. Advanced National Technical Certificate (ANTC)
- vii. National Business Certificate (NBC)
- viii. National Technical Certificate (NTC)
- ix. National Vocational Certificate (NVC)
- x. National Skills Qualifications (NSQs)

The Accreditation granted to a programme is with effect from the latest date indicated in the expiration date column. Programmes granted Accreditation will be due for another visit after five calendar years.

The purpose of publishing this Directory is to inform academic institutions, Scholarship Boards, employers of labour, stakeholders in the technical education sector, parents and prospective students about the accreditation status of programmes that are offered by these institutions. Institutions whose programmes have been granted interim accreditation should take appropriate steps to ensure that they are visited when due and granted full accreditation status.

I congratulate the institutions whose programmes have been granted full accreditation and implore them to strive to improve the quality of their programmes.

Prof. Idris Muhammad Bugaje  
EXECUTIVE SECRETARY

1<sup>st</sup> July, 2025

**LIST OF NATIONAL VOCATIONAL CERTIFICATES (NVC) PROGRAMMES AVAILABLE IN VOCATIONAL ENTERPRISE INSTITUTIONS (VEIs).**

1. Agriculture
2. Automotive Mechatronics
3. Block Laying & Concreting
4. Carpentry & Joinery
5. Computer Studies
6. Cosmetology and Beauty Therapy
7. Electrical Installation and Repair Works
8. Fabrication and Welding
9. Fashion Design
10. Hospitality and Tourism Studies
11. Motor Vehicle Mechanics
12. Office Secretarial Assistant
13. Printing Technology
14. Radio, TV and GSM Servicing
15. Refrigeration and Air-conditioning
16. Oil and Gas Facilities Engineering Technology

## **GENERAL INFORMATION**

## I. HOW TO APPLY FOR ADMISSION INTO A PROGRAMME

The Joint Admissions and Matriculation Board (JAMB) conduct all admissions into the National Innovation Diploma (NID) and National Diploma (ND) programmes offered by all polytechnics and similar tertiary institutions in the country. Usually, a prospective candidate for National Innovation Diploma programme applies to JAMB for application form; writes the matriculation examination and on the basis of his/her score in the examination, and other criteria that may be laid down by the proprietor of the institution, the candidate may be offered provisional admission. The final admission of the candidate however, depends on his/her meeting the minimum admission requirements as laid down by NBTE.

In the case of admissions into Higher National Diploma (HND) programmes offered by the polytechnics and similar institutions the following procedure may apply:

- ✧ Admission of a candidate into a programme is the prerogative of the Academic Board of the institution which should ensure that the candidate meets the minimum entry requirements for the programme as laid down by the NBTE.

## II. GENERAL ENTRY REQUIREMENTS FOR NATIONAL DIPLOMA (ND)/ NATIONAL INNOVATION DIPLOMA (NID) PROGRAMMES

The minimum entry requirements for the ND/NID Programmes are as follows:

1. WASC/SSCE/GCE/SAISSCE Ordinary Level or its equivalent with credit level passes in five subjects relevant to the programme at not more than two sittings I”
2. The National Technical Certificates (NTC) or National Business Certificate (NBC) with Credit level passes in five subjects/trades relevant to the programme.
3. In addition to 1 - 2 above, candidates must obtain a satisfactory score in the UTME Examination which is conducted by JAMB.
4. A holder of the Advanced National Technical Certificate (ANTC) may be given advanced placement in the ND Programme provided the candidate has also met the minimum entry requirements into the ND Programme and obtained a minimum of credit level grades in the ANTC Examinations.

### Applicants for All Programmes

All candidates applying for all programmes in Polytechnics and similar Tertiary Technical Institutions must possess credit level passes in Mathematics and English Language. (Not Literature in English).

## SPECIFIC ADMISSION REQUIREMENTS FOR NATIONAL DIPLOMA PROGRAMMES

Specific WASC/SSCE/GCE/SAISSCE 'O' Level subject requirements for various National Diploma Programmes are shown below:

### (A) AGRICULTURAL AND RELEVANT PROGRAMMES

| S/No | PROGRAMME                                                                                                                        | WASC/SSCE                                                                                                                                                                                                                                                                                                                                                                                                                                               | NECO                                                                                                                                                                                                                                                                                                                                                                                         | NABTEB                                                                                                                                                                                                                                                                                                                                                                                                                   | NVC |

## GENERAL ENTRY REQUIREMENTS FOR NATIONAL INNOVATION DIPLOMA (NID) PROGRAMMES

The minimum entry requirements into National Innovation Diploma Programmes are any of the following:

1. SSCE/GCE/SAISSCE Ordinary Level or its equivalent with credit level passes in five subjects relevant to the programme at not more than two sittings”
2. Five credit level passes in relevant subjects obtained at the final examination of an NBTE recognized preliminary ND programme offered in a Polytechnic or Similar Post-Secondary Technical Institution.
3. The National Technical Certificates (NTC) or National Business Certificate (NBC) with Credit level passes in five subjects relevant to the programme.
4. In addition to 1 - 3 above, candidates must obtain a satisfactory score in the JAMB – UTME Examination which is conducted annually.
5. A holder of the Advanced National Technical Certificate (ANTC) may be given advanced placement in the NID Programme provided the candidate has also met the minimum entry requirements into the NID Programme and obtained a minimum of credit level grades in the ANTC Examinations

### Applicants for Technology Programmes

All candidates applying for Science and Technology programme must possess credit level passes in Mathematics and English Language. (Not Literature in English).

### Applicants for Business and Management Programmes:

Candidates should have credit passes in English Language and Mathematics.

## SPECIFIC ADMISSION REQUIREMENTS FOR NATIONAL INNOVATION DIPLOMA PROGRAMMES

### GENERAL ADMISSION REQUIREMENTS FOR NATIONAL INNOVATION DIPLOMA (NID) PROGRAMMES

#### AGRICULTURE AND RELATED SECTOR

| Programme                  | Admission Requirements                                                                                                                                                                                                                                             |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| NID Innovation Agriculture | Mathematics, English Language, Biology/Agric Science, and any two of Animal Husbandry Geography, Economics, Fisheries, Technical Drawing, Physics, Chemistry, Agricultural Implement Mechanics , Vocational Agriculture. At least a pass in Chemistry is required. |

#### CONSTRUCTION, ENGINEERING AND RELATED SECTOR PROGRAMMES

#### SOLID MINERALS SECTOR PROGRAMMES

| Programme                                | Admission Requirements                                                                                                                                                                                                                                        |
|------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| NID Gemology and Goldsmithing Technology | English Language, Mathematics, Physics, Chemistry and one other from the following subjects Geography, Technical Drawing, Further Maths, Statistics, Applied Electricity/Basic Electricity, Metal Work, Economics, Welding and Fabrication and Auto Mechanic. |

## GENERAL ADMISSION REQUIREMENTS FOR HIGHER NATIONAL DIPLOMA (HND) PROGRAMMES

Applicants who possess the following qualifications may be considered for direct admission into Higher National Diploma Programmes:

1. The National Diploma/National Innovation Diploma with a minimum of lower credit pass in the discipline obtained from an NBTE accredited programme plus a minimum of one-year Post-ND cognate work experience in the field of specialisation.
2. Candidates with ND at pass level and a minimum of two-year post-ND work experience may also be considered.
3. For the HND Bilingual Office Technology and Management Programme, a pass in the relevant language at the WASC/SSCE or equivalent qualifications will be an advantage. This is in addition to 1 or 2 above. All candidates will be expected to pass an intensive 16 weeks language course prior to the commencement of the programme.

## SPECIFIC ADMISSION REQUIREMENTS FOR HIGHER NATIONAL DIPLOMA (HND) PROGRAMMES

*Please Note:*

*All ND programmes that are not the same as the HND may be offered admission & registered as Post ND which is ND II then they will proceed to the HND of the same programme*

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                                                                         |

# POLICY GUIDELINES FOR THE IMPLEMENTATION OF NATIONAL DIPLOMA (ND II) DIRECT ADMISSIONS IN POLYTECHNICS, MONOTECHNICS AND SIMILAR TERTIARY TECHNICAL INSTITUTIONS

## 1.0 Introduction

The National Diploma (ND II) Direct Admissions is designed to provide an academic bridge for National Diploma/National Innovation Diploma (ND/NID) graduates, especially those with weak results and graduates of Ordinary Diploma (OD) from recognized institutions that obtained their certificates prior to the Head of Service circular on use of only academic qualifications for entry into the civil/public service of the Federation with effect from 4<sup>th</sup> December 2020, who seek to gain admission into relevant HND programmes. This policy aims to address the academic and practical gaps in their education and training and provide them with the foundational knowledge and skills required for advanced technical education at the HND level.

## 2.0 Objectives of the ND II Direct Admissions

- a) To provide a seamless transition for National Diploma/National Innovation Diploma and Ordinary Diploma graduates into HND programmes;
- b) To address the industrial experience gap for students lacking the required post-ND work experience;
- c) To standardized the entry- level knowledge and skills of students entering HND programmes;
- d) To provide a preparatory academic platform for OD graduates, ND/NID graduates with weak academic records to improve their qualifications and gain admission into relevant HND programmes.
- e) To bridge the knowledge and skills gaps of candidates whose academic performance is below the required threshold for direct admission into HND programmes.
- f) To enhance the quality of prospective HND candidates by ensuring they have the required foundational knowledge and technical skills.
- g) To provide an avenue for career advancement and employability through enhanced academic and practical skills training.
- h) To gain a preferred ND qualification that would enable prospective candidates to be admitted into the relevant HND programmes.

## 3.0 Scope of the Policy

This policy applies to all Polytechnics, Monotechnics and other similar tertiary technical institutions in Nigeria seeking to run ND II Direct Admissions for ND/NID, OD (Prior to 4<sup>th</sup> December, 2020) graduates. It outlines the principles, criteria, and processes for running and implementing the ND II Direct Admissions.

## 4.0 Structure and Curriculum of the ND II Direct Admissions

### 4.1 Duration

- a) The NDII Direct Admissions will be structured to last one academic session (two semesters) to enable Diplomates remedy deficiencies for the fulfilment of the requirements of the HND Programmes they intend to undertake in related disciplines as specified by the Board.
- b) Prospective students will be admitted into second year of relevant ND programmes.
- c) Upon successful completion of the ND II, students will obtain ND certificates and be eligible for admission into relevant HND programmes.

### 4.2 Curriculum Content

The curriculum will be the existing curriculum for the second year of relevant ND programme and will focus on bridging the academic gaps identified in the candidates' prior qualifications.

### 4.3 Evaluation and Assessment

- a) Continuous assessments, tests, practical exams, and semester examinations will form the basis of student evaluation.
- b) Students must complete a final project demonstrating their ability to apply learned skills.

## 5.0 Criteria for ND II Direct Admissions

### 5.1 Admission Criteria

- a) All admissions into ND II Direct must be through JAMB Direct Entry admissions process.
- b) National Diploma/National Innovation Diploma (ND/NID) holders:

Graduates with weak results in their ND/NID from accredited programmes and approved Institutions may be admitted to the ND II Direct. Such graduates must have been validly admitted through JAMB (UTME).

- c) Ordinary Diploma (OD) Holders:

OD graduates from recognized Institutions *with relevant good academic records prior to 4th December, 2020 will be eligible for admission into ND II Direct;*

- d) Minimum O'Level Qualifications:

Applicants must meet the minimum O'Level entry requirements for the relevant ND programmes, including credits in core subjects such as Mathematics, English, and other related subjects.

- e) IJMB and NCE certificate Holders:

IJMB and NCE certificate holders are not eligible for ND II Direct Admissions.

### 5.2 Class Size and Entry Limitations

Institutions can admit only 30% of the approved streams for the programmes for effective teaching and learning. The staff-student ratio must comply with standards set by the Board to guarantee quality delivery of the programme. Also, the 70:30 ratio must be adhered in favour of technology-based programmes.

### 6.0 Institutional Requirements for Running ND II Direct Admissions

#### 6.1 Existing Programmes:

Institutions must have existing ND and HND programmes in the disciplines for which the ND II Direct Admissions are being proposed and these programmes must be fully approved and accredited by the Board.

#### 6.2 Infrastructure and Facilities

Institutions must have adequate and well-maintained Laboratories, Workshops, Studios, Field facilities, classrooms and libraries to support the delivery of ND II Direct programme. ICT infrastructure, access to e-learning resources, and adequate power supply (e.g., Sustainable Solar Systems) should be provided. These facilities shall be in place as a requirement for the existing ND.

#### 6.3 Staffing:

The Institution must ensure that qualified and experienced academic staff are available for the existing ND programme(s) to deliver the ND II Direct programme. The staff-student ratio should comply with NBTE standards to ensure effective teaching, mentoring and supervision.

#### 6.4 Financial Resources:

Institutions must demonstrate the financial capacity to support the running of the ND II Direct programme, including staffing, infrastructure and the acquisition of necessary teaching and learning aids.

### 7.0 Approval and Accreditation Process

#### 7.1 Application for Approval:

Institutions wishing to establish ND II Direct programme must apply to the Board for approval, indicating the programme(s) for which it intends to commence the ND II Direct Admissions.

#### 7.2 Resources Inspection:

There will be no resources inspection since the programme is expected to have been fully accredited by the Board. But institutions should ensure that admission into the programme in totality does not exceed the number of approved percentages of the existing stream (s) granted to the programme.

However, if there is need for additional stream(s) for the ND II Direct programme, the institution must apply to the Board for the additional stream(s)

and a carrying capacity verification visit to ascertain that the physical and human resources available are adequate for the additional stream (s) being requested.

### 7.3 Accreditation

There will be no separate accreditation for the ND II Direct programme, since the intending programme is expected to have been fully accredited by the Board. However, students admitted through the ND II Direct Admissions process must be presented along with other regular students whenever the programme is due for accreditation.

## 8.0 Admission into HND Programmes after Completion of ND II Direct

### 8.1 Transition into HND First Year

- a) After completing the second year of relevant ND programme, students will be eligible to apply for HND programme in their respective disciplines if they meet the academic admission requirements set by the institution and the Board.
- b) All ND graduates must have undertaken the mandatory one-year post ND industrial experience for those with credit grade and two – years post ND industrial experience for those with pass grade, prior to their Direct Admission and are applying for HND programme in the same field.
- c) All candidates with different but relevant ND must have undertaken the mandatory one-year post ND industrial experience for those with credit grade and two – years post ND industrial experience for those with pass grade after completion of their ND II Direct.
- d) All candidates with relevant NID/OD must have undertaken the mandatory one-year post Diploma industrial experience for those with credit grade and two – years post Diploma industrial experience for those with pass grade after completion of their ND II Direct.

### 8.2 Academic Performance Requirements

Institutions must ensure strict compliance with the NBTE entry requirements for admissions into HND programmes. All HND admissions must be through the NBTE portal.

## 9.0 Funding and Support for Institutions

### 9.1 Institutional Funding

Institutions are responsible for securing adequate funding for the running and maintenance of ND II Direct programme.

### 9.2 External Funding

Institutions may seek additional funding from government agencies, donors and private sector partners to support the ND II Direct programme.

## 10.0 Conclusion

The running of ND II Direct Programme in Polytechnics, Monotechnics and similar tertiary technical Institutions across Nigeria is a crucial step in improving the quality and access to technical education. The ND II Direct Admissions is an abridged programme designed to equip students with the necessary fundamental skills, knowledge and competencies needed to succeed in advanced technical and vocational education at HND level. It provides an academic pathway for ND/NID and OD graduates who require additional preparation to qualify for higher-level education and ultimately, it will contribute to the development of a more skilled and competent workforce. Institutions are encouraged to strictly adhere to the guidelines set by this policy to ensure the successful implementation and sustainability of the ND II Direct Programme.

## POST-HND (Full Professional Diploma) PROGRAMME

Applicants for admission into any of the full professional/Post-HND programmes should possess the following:

1. At least an upper credit pass obtained from an NBTE accredited HND programme or its equivalent in the relevant field;
2. Satisfactory completion of the National Youth Service Corps scheme.

## GENERAL ADMISSION REQUIREMENTS FOR NBC AND NTC PROGRAMMES

| Programme                                           | Admission Requirements                                                                                                                                                                                                                                                                        |
|-----------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Agricultural Trades</b>                          | Candidates must have successfully completed three (3) years of Junior Secondary education or its equivalent. Special consideration may be given to sponsored candidates with lower academic qualifications who hold trade test certificates and are capable of benefiting from the programme. |
| Animal Husbandry                                    |                                                                                                                                                                                                                                                                                               |
| Fisheries                                           |                                                                                                                                                                                                                                                                                               |
| <b>Automobile Trades</b>                            |                                                                                                                                                                                                                                                                                               |
